#### Family Night

Family Night was an absolute hit!! Thank you to all our teachers, students, and families for making it a wonderful night. Children took great pride in showing off all that they've done this year in the

classroom, and of course their families!

#### Donuts for Dad

**Kindergarten** will be holding their annual Donuts for Dad's on Thursday, June 17, so dads, be on the look out for an invitation in your child's backpack.

#### Summer Program Info

Summer **Session starts Tuesday, July 6<sup>th</sup>**. We will be kickin' off the summer with our unit on the Five Senses. Students will have lots of fun learning about color, Jackson Pollack and his method of painting – **splatter painting**. Please be sure to send an old t-shirt of dad's to be used as their art smock so we are prepared to get messy! We'll also be exploring the sense of touch as we mold and play with **clay** the first week.

**\*\*\*June 21<sup>st</sup> and 22<sup>nd</sup> are the last two days of the half-day and extended program.** The full day program will be open during the break.

**\*\*\*Full Day families: Please remember a two-week written notice is required before your child is withdrawn in order for your deposit to be applied to your last month's tuition.**

#### A Few Reminders

Please pick up your child's **Earthquake Kit** from their classroom if they will not be attending for the summer session. If you are returning in the Fall, you will need to make a fresh Earthquake Kit for their new class by September 13. Thank you!

Please be sure to drive carefully in the **parking lot**.

#### Summer Registration

If you are interested in registering your child for the Summer Session, please stop by the office to secure your child a place. Spots are filling up. We will be offering two programs this summer: Plan I (July or August) or Plan II (July – August). We are looking forward to a fun-filled summer of lots of activities and on-site field trips.
